

To Our Valued Members:

The credit union will be closing our lobby at 4:30 on Tuesday, March 17, 2020 until further notice.

We urge all members to use our online banking system, calling into the credit union or our drive up window, to minimize exposure risk of our membership and staff.

Voting for board members will still take place via the drive up window through our extended hours on Wednesday, March 18, 2020 from 6:00am to 4:30pm.

We appreciate your understanding during this period of inconvenience.

Thank you for your membership and stay healthy.
